

Locating your Employee Identification Number (EIN)

Purpose

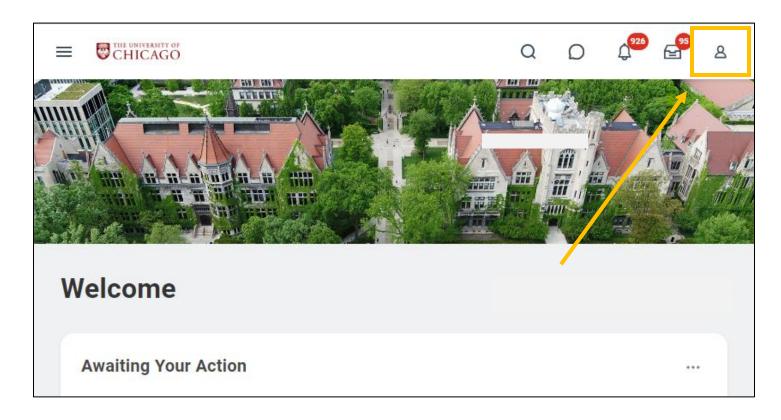

Keep in Mind

 The EIN is different from your CNET ID and your Chicago ID.

This document is to help you find your Employee Identification Number (EIN) in Workday.

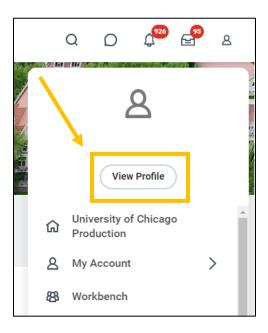

Steps to Locate your EIN

- 1. Log in to Workday using your CNet ID and Password.
- 2. From the Home page, click the Person icon at the top right corner of the screen.

EIN | 04.02.2024 | 1

3. Click the View Profile button underneath your name.

4. Your Employee ID is the first item listed under the **Job Details** header on the Summary screen. It is an 8-digit number.
